## GENERAL NEWS.

**BODY SNATCHERS CAPTURED IN  
CINCINNATI AND PROVE TO BE  
MURDERERS.**

The Corner D'Alene Excitement—Victims  
of the Terrible Mine Ex-  
plosion in Pennsylvania—The  
Egyptian Muddle Troub-  
ling the British.

**The Arctic's Victims.**  
NEW YORK, Feb. 22.—This morning  
the remains of DeLong and comrades  
were taken from the Brooklyn navy yard  
by the tug Nina, to the Battery, where the  
bodies were placed in hearses and a pro-  
cession formed. The procession con-  
sisted of naval officers, marine band  
members, survivors of the expedition  
and several regiments of militia and  
battalion of regular troops. Carriages  
containing invited guests and various  
societies, including prominent people.  
In the carriages were Senator Warner  
Miller, chief of the naval bureau, Major-  
General Hancock, Secretary of War  
Lincoln, the Russian Minister, Russian  
Commodore, Postmaster-General Gresham,  
Secretary Chandler, Commodore Upshur  
of the navy, Mayors Edson and Low.  
The procession then moved up Broadway  
and across to Brooklyn, bridge to the  
navy yard where the bodies will lie in  
state to-day. The day was observed by  
a general suspension of business and  
flying of flags in the harbor and city at  
half mast.

**PHILADELPHIA, Pa., Feb. 22.**—The body  
of seaman Boyd, of the Jeannette, is ex-  
pected here to-day, and great crowds have  
gathered at the depot. Notwithstanding  
the absence of the body funeral services  
will be held in the Campbellite church.  
It was thronged with people. The funeral  
procession took place late in the evening.  
The body of Collins was later taken to  
the armory of the Sixty-ninth regiment of  
this city. To-morrow morning there will  
be a requiem mass held at the Cathedral,  
after which the body will be placed on  
board the steamship City of Chicago and  
taken to Ireland. The other bodies will  
be taken to the Church of the Holy  
Trinity this city to-morrow, where ser-  
vices will be held. This is the church  
that Mrs. DeLong attends. After the  
ceremonies the body of Dr. Ambler will  
be sent to Alexandria, that of Seaman  
Boyd to Philadelphia and those of Lieu-  
tenant DeLong and others to  
Woodburn cemetery.

**ALL THREE MURDERED.**  
CINCINNATI, O., Feb. 22.—The exami-  
nation of the bodies of Taylor and fam-  
ily, found in the Ohio medical college,  
mentioned in last night's dispatch, shows  
that all three had been murdered, all the  
bodies showing unmistakable signs of  
violence, the skulls of Taylor and wife be-  
ing fractured. Whether the family was  
murdered for money or the dissection of  
the body is not known, but the general belief  
is that they were killed for the latter pur-  
pose. The house where Taylor lived was  
erected for the medical college and all  
neighbors, Allen Ingalls, Jeff. Lott,  
Richard Ingalls and Ben. Johnson, all  
colored residing in the vicinity of the  
murder, were arrested, suspected of being  
the murderers.

**CINCINNATI, O., Feb. 22.**—Marshall  
Brown of Avondale has been the means  
of discovering the bodies of the Taylor  
family, and has been arrested for causing  
the arrest of four colored men named  
in a previous dispatch as the murderers.  
The bodies were received  
at the Medical College  
last night. Dr. Col-  
lector of anatomy, says he knows  
the men who brought the bodies to the  
college, but does not know their names,  
as such business is always done with a  
little ceremony possible. He had  
no suspicion that they were mur-  
dered until Marshall Brown identified  
them and he found the skulls crushed.

**THE COLORED MEN ARRESTED ARE NOT OPENLY  
KNOWN TO BE RESURRECTIONISTS, BUT THERE HAS  
BEEN AN UNCERTAINTY ABOUT HOW ONE OF  
THEM SUPPORTED HIMSELF. THE EXAMINATION  
BEGINS AT AVONDALE TO-MORROW.**

**Tried to Cover up Murder.**  
CINCINNATI, O., Feb. 22.—The News-  
Journal, Jackson, Ohio special says:  
Benjamin McClaugh, the mine boss at  
the Comet coal works was found terribly  
mangled on the track of the  
Cincinnati and Washington & Baltimore  
road yesterday morning. An examination  
showed that his throat had been cut, and  
physicians say he was dead before placed  
on the track. George Johnson has been  
arrested for the murder of a woman,  
who admits her knowledge of the murder  
and that she got part of the money taken  
from McClaugh.

**Thursday night, near Berlin Cross  
Roads, John Johnson, a farmer, aged 33,  
was knocked down in his house by two  
masked men and robbed of \$100 in cash  
and \$200 in notes, etc. Johnson may  
die of his injuries.**

**Waters Receding.**  
LOS ANGELES, Cal., Feb. 22.—The wa-  
ters are receding and it is believed that  
the worst is past. A careful estimate  
places the loss from the flood at three  
quarters of a million dollars. Compensat-  
ed, however, by good wheat and fruit  
crops. Present indications are it will be  
a golden year for southern California.

**Killed by Explosion.**  
HUTCHINSON, KS., Feb. 22.—A young  
man named Bertman was killed yesterday  
under Little river bridge by the explosion  
of a powder horn which he had with him  
while hunting. The body was discovered  
by school children, who were attracted by  
the burning of the clothes. The children  
carried water in their hats from the river  
and extinguished the flames.

**Southern Pacific.**  
NEW YORK, Feb. 22.—The traffic man-  
ager of the Southern Pacific railroad, tele-  
graphs as follows: Reports of washouts  
on our line greatly exaggerated. We ex-  
pect to have the line open in six days,  
and there will be no delay to freight or  
passenger business.

**Over the Veto.**  
RICHMOND, Va., Feb. 22.—The senate  
and house have passed over the govern-  
or's veto the bill reappropriating the  
State for representatives to congress.

**Made Trouble.**  
DANVILLE, Va., Feb. 22.—In passing a  
school house for colored people, Allen

Womack, age 15, called out "school  
house," a term of ridicule. The whole  
school of forty persons with some  
grown men among them attacked  
Womack with sticks and stones, one ne-  
gro drawing a pistol. Womack shot him  
and the crowd persisting in an attempt to  
get into Womack's wagon he again fired  
and wounded another. The pursuit was  
kept up for some distance during which  
the negro fired eleven shots and Womack  
five. The crowd was at last dis-  
persed by white men. Womack was ar-  
rested.

**RAILROADS.**  
**The A. T. & S. F. Win a Suit.**  
TOPEKA, Kan., Feb. 22.—The railroad  
commissioners promulgated the following  
order to-day: The board of railroad com-  
missioners of Kansas this day withdraw  
and suspend the entire system of rates

Creek is now the only point by which the  
people can reach Eagle City, the princi-
